

Math 131BH – Honors Real Analysis II

University of California, Los Angeles

Duc Vu

Spring 2021

This is math 131BH – Honors Real Analysis II, and it is instructed by Professor Visan. It's the second class in the undergrad real analysis sequence at UCLA. We meet weekly on MWF from 10:00 – 10:50 am for online lectures. Similar to 131AH, there are two textbooks associated to the course, *Principles of Mathematical Analysis* by *Rudin* and *Metric Spaces* by *Copson*. You can find the previous analysis lecture notes along with the other course notes through my [github](#). Please [email](#) me if you notice any significant mathematical errors/tipos that needs to be addressed. Thank you, and I hope you find this helpful for your study!
